

**PRODUCT**

OleoClear

**DESCRIPTION**

Removes stains caused by fatty spills.

**ADVANTAGES**

A non toxic formulation, safe in use : Non corrosive, solvent free, low odour. OleoClear keeps working for several weeks and has a low hazard formulation.

**PACKAGING**

5 litres.

**TECHNICAL DATA**

Composition : PROPAN-2-ol; SODIUM HYDROXIDE | QUATERNARY C 12 – 14 ALKYL METHYLE AMINE ETHOXILATE METHYL CHLORIDE | C9 -11 ALCOHOL ETHOXOLATE.

Density:

Flashpoint:

Chemical Resistance:

Coverage:

VOC Content:

**APPLICATION INSTRUCTIONS**

Shake well before use. Apply by brush. Test a small area before use to ensure surface compatibility.

1: Apply the following dilutions to a dry surface.

Heavy stains – Use neat, undiluted.

Medium stains – Dilute 1 part cleaner to 1 part of water.

Light stains – Dilute 1 part cleaner to 10 parts of water.

2: Soak the stained area and work the cleaner with a bristle brush.

3: Re-apply and leave for 30 minutes.

DO NOT LET THE PRODUCT DRY OUT.

4: Scrub clean with warm water or a power washer.

If the stain persists, repeat the above process.

Substrate Temperature: +10°C to 30°C.

Ambient Temperature: +10°C to 30°C.

**APPLICATION CONDITIONS & LIMITATIONS**

**IMPORTANT :** Use out of direct sunlight and do not allow the product to dry during the cleaning process.

Do not allow the product to come into contact with foliage.

Keep pets away until the cleaning process is completed.

Coverage : Varies with dilution rate. Applied neat : 2 m<sup>2</sup> per litre heavy soiling.

Keep in a dry place (between 5°C and 30°C). Protect from frost.

Storage: 24 months following the production date when kept in the original unopened container.

Immediately after you have finished clean all tools and equipment with water.

**STORAGE & CLEANING**

Wear protective gloves and glasses, and appropriate clothing whilst using the product.

Do not apply during rain and when surface and air temperature is < 10°C and > 30°C.

**RECOMMENDATIONS & POST TREATMENT**

Harmful if swallowed | Causes serious eye irritation.

**HEALTH & SAFETY**

Respiratory Protection: No special respiratory protection equipment is needed.

Hand Protection: Wear domestic gloves. Eye Protection: Wear safety goggles.

Skin Protection: Wear protective clothing over exposed areas of skin.

KEEP OUT OF THE REACH OF CHILDREN
